REMARKS

Claims 83, 85, 90, 91, 100, 101, 102, and 104 have been re-written in independent form to include the limitations of the claims from which they depend, in accordance with the indication of allowable subject matter in item 8 on page 5 of the Official Action. Claims 84, 86, 92-22, 103, and 105-109 respectively depend from claims 83, 85, 90, 91, 100-102, and 104.

The objection to claim 88 has been addressed by changing "reflections" to ~~reflectivities~~ in amended claims 101 and 102, which depended from and now include the limitations of original claim 88.

Because each of the claims now includes subject matter indicated as allowable in item 8 of the Official Action, the rejections of claims 10-82 and 87-90 under 35 USC §§102(e) and 103 have been rendered moot.

Having thus complied with the restriction required, early and favorable action on the merits is requested. is requested.

Respectfully submitted,
